The Emblem

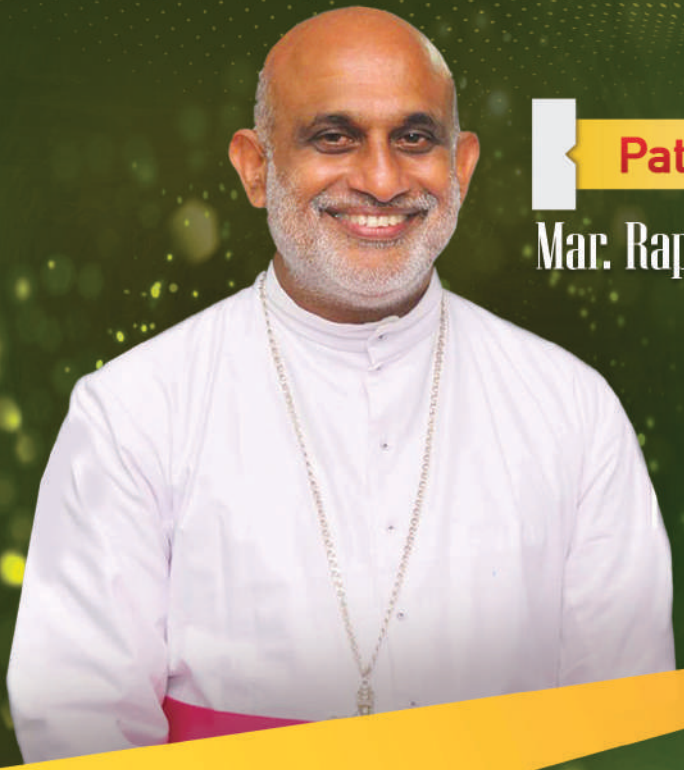

The College Emblem is the symbolic expression of the legacy of the vision and mission as envisaged by its founders. The emblem is a shield with an imprint of the map of India on the right, a heart on the left, and a crown on top. The open book with a burning lamp in front of the eye symbolises knowledge and wisdom that emanates from the Divine. It also symbolises holistic knowledge/education, as the book stands for both the Bible and the Constitution of India, that the College imparts to its student community. The flaming heart on the left signifies the unconditional love and compassion of the Blessed Virgin Mary, the Heavenly Mother and divine patron of the College, who instills in her children a burning desire for true wisdom and consuming love for fellow beings. The crown on the top of Bharata Mata symbolises the glory of the Heavenly Mother Mary, and the rich and regal heritage of our motherland India. The rays from the Omniscient Eye denote the all-encompassing love and protection of the Almighty. The rays also signify the light of wisdom, truth, and knowledge required to serve God and country, and the blessings that dispel the darkness of ignorance, untruth, and immorality. The Latin phrase "Pro Deo et Patria" meaning "For God and Country" closes the frame of the logo, marking the ultimate end of education as the founding fathers envisaged it.

The College was ranked in NIRF Rank Band 151-200 in college category of NIRF 2025.

The college is located at Thrikkakara, Kerala's mythological capital, facing the Seaport - Airport Road. Situated at a distance of 12 kms from the city of Kochi, it is easily accessible from Judgemukku on Edappally Muvattupuzha Road in the North, and from NGO Quarters and Palli stop on the Kakkanad-Ernakulam Road in the South, in addition to the BMC bus stop on the Seaport-Airport Road. The CUSAT, NPOL, Model Engineering College, Ernakulam District Collectorate, Infopark and CSEZ are the important neighbouring landmarks of the college.

Though situated in an increasingly urban location, Bharata Mata College largely caters to the higher education aspirations of socially, educationally and economically marginalized sections of a rural population belonging to different communities. More than 55% of the student community are girls. Started in 1965 as a junior college with five Pre-degree batches, the college today boasts of being a firstgrade college with 24 Undergraduate programmes, 12 Postgraduate programmes including 1 Integrated PG programme and 2 Professional PG programmes, 6 Research centres and an Off-campus centre.

The community comprises of 3250 students, 185 teachers and 80 members of the non-teaching staff. The dedication of the management and the community, combined with excellent infrastructural and teaching facilities help maintain high standards in curricular and co-curricular spheres of the institution. As an Autonomous College under Mahatma Gandhi University, Bharata Mata College has made conscientious efforts to strengthen the curriculum by retaining all the fundamental stipulations of the University/Higher Education Council, to ensure a well-balanced curriculum.

In keeping with the lofty vision of its founder, Bharata Mata College is a melting pot of students from all communities and creeds, thus preserving a secular character while promoting the Christian ideal of love and service.

2. OBJECTIVES AND CORE VALUES

Objectives: The college endeavours to realize the full potential of students by preparing them for fulfilling careers, entrepreneurship and higher education. The institution aims to empower and make them life-ready for an emerging world by inculcating in them the spirit of intellectual enquiry, independent thinking, self- reliance, leadership, co-operation, expression of cultural talents, social service and eco-consciousness.

Core Values: The strength of any institution lies in its system of values which moulds and nurtures its members irrespective of their differences, into a common whole. In its commitment towards fostering an organizational culture, Bharata Mata College lays emphasis on four core values which are pertinent to all the management, students, teachers and non-teaching staff, alike. These core values enshrined in the vision and mission, are imparted to every new addition to the Bharata Mata family.

- **Devotion to the Divine:**

The foundation of all virtues and values comes from the very supreme value of 'Devotion to the Divine' which seeks to instill reverence to the Almighty. In an age where spirituality is often confused with religion, Bharata Mata emphasizes devotion in a secular context and strives to create a spiritual discipline to foster order, peace and harmony.

- **Quest for Excellence:**

Affirming the call for advancement in academics, Bharata Mata places 'Quest for Excellence' as a crucial value. All 'BMCians' are fostered to strive for success with this value in their respective areas of work/study within Bharata Mata College.

- **Furtherance of Fraternity:**

In an attempt to nurture social and moral responsibility, the institution upholds 'Furtherance of Fraternity' as the third core value. Even as the institution provides a platform for various activities and projects that nourish social responsibility and universal fellowship, all its members are encouraged to channelize their efforts and excellence towards furthering fraternity.

- **Stewardship of Environment:**

In response to the call to stem the degenerating environment and revitalizing Bharata Mata College considers it an obligation to nurture a generation that functions as 'stewards of nature'. Through its programmes and projects, the college recurrently instills a feeling of obligation among the students to keep revitalising nature.

18. COURSES OFFERED BY POSTGRADUATE PROGRAMMES (AIDED)

Duration: The duration of PG Programmes shall be 4 semesters.

Examinations: There shall be University examination at the end of each semester. Practical examinations shall be conducted by the University at the end of each semester or at the end of even semesters as prescribed in the syllabus of the particular programme. Project evaluation and Viva-Voce shall be conducted at the end of the programme only. Practical examination, project evaluation and Viva-Voce shall be conducted by two external examiners and one internal examiner. There shall be one end-semester examination of 3 hours duration in each lecture-based course and practical course. A question paper may contain short answer type/ annotation, short essay type questions/ problems and long essay type questions. Different types of questions shall have different weightage.

Evaluation: The evaluation scheme for each course shall contain two parts; (a) End Semester Evaluation(ESE) (External Evaluation) and (b) Continuous Evaluation(CE) (Internal Evaluation). 25% weightage shall be given to internal evaluation and the remaining 75% to external evaluation and the ratio and weightage between internal and external is 1:3. Both End Semester Evaluation (ESE) and Continuous Evaluation(CE) shall be carried out using direct grading system. Direct Grading: The direct grading for CE (Internal) and ESE (External Evaluation) shall be based on 6 letter grades (A+, A, B, C, D and E) with numerical values of 5, 4, 3, 2, 1 and 0 respectively. Grade Point Average (GPA): Internal and External components are separately graded and the combined grade point with weightage 1 for internal and 3 for external shall be applied to calculate the Grade Point Average (GPA) of each course. Letter grade shall be assigned to each course based on the categorization provided in the following table.

Grade	Grade Points	Range
A+	5	4.50 to 5.00
A	4	4.00 to 4.49
B	3	3.00 to 3.99
C	2	2.00 to 2.99
D	1	0.01 to 1.99
E	0	0.00

The overall grade for a programme for certification shall be based on CGPA with a point scale given below.

Range	Grade	Indicator
4.50 to 5.00	A+	Outstanding
4.00 to 4.49	A	Excellent
3.50 to 3.99	B+	Very Good
3.00 to 3.49	B	Good(Average)
2.50 to 2.99	C+	Fair
2.00 to 2.49	C	Marginal (Pass)
upto 1.99	D	Deficient (Fail)

A separate minimum of C grade is required for a pass for external evaluation for every course. A student who fails to secure a minimum grade for a pass in a course will be permitted to write the examination along with the next batch. For the successful completion of a semester, a student should pass all courses and score a minimum SGPA (semester grade point average) of 2.0. However, a student is permitted to move to the next semester irrespective of her/his SGPA.

Components of Continuous Assessment:

All the three components of the Continuous Assessment are mandatory for taught courses.

For Taught Courses

Component	Assessment Criteria		Weight
1	Continuous Assessment Examination (CAE)	CA1	2
		CA2	2
2	KEA		2
3	RSA		4

There will be a ESA (End Semester Assessment) for programme projects based on the written report and viva. The ratio of ESA & CA will be 3:1.

Component	Assessment Criteria	Weight
1	Written/Lab test	2
2	Lab involvement	1
3	Record	1
4	Viva	1
	Total	5

The components and the weightage of components of the practical (CA) can be modified by the concerned BOS without changing the total weightage 5.

COSMOS : ASTRONOMY CLUB

Space has always been a wonder to human kind. Space exploration allows us to solve the wonders and understand a broader view of our universe we live in today. We should have our Space Exploration program because it furthers our knowledge of the universe, provides better understanding, results in new technologies and evokes curiosity. This thought led us to form an Astronomy club for our campus. Clubs are the places where people can engage in their individual interests. It provides an opportunity to express their creative abilities and enthusiasm. If a new satellite is being launched or if some major event is happening in the sky, the whole world is watching them and trying to know about them. But after these events, most people return back to a life where the myths like "Physics is so hard to learn and it's boring!" actually kill one's enthusiasm and curiosity about space. We, the members of "COSMOS: The Astronomy Club of BMC" focus on bringing back this enthusiasm and curiosity among people and let them know more about space and science through simple activities and events.
