OUR LEGACY

Bharata Mata School of Social Work was instituted as a result of continuous analysis with regard to the requisite and need to address and intervene with neighboring communities.

With the mission to become a seminal center for the promotion of the holistic development and equitable opportunities for horizontal and vertical mobility, inclusive of gender, caste and socio-economic background, Bharata Mata School of Social Work was established in the year 2004 with vibrant faculty and two batches of committed and oriented pursuers. From the nascent stage onward, the school spread its roots into explicit discipline, development of personality in professional, social and individual life.

MISSION

To create and facilitate inclusive environment and culturally diverse practices that promotes equity, equality and social justice that mould individuals into responsible citizens.

VISION

To become a center of learning and excellence through value based and experiential learning opportunities, that helps in the holistic development of individual.

Goals

To impart a comprehensive training in professional social work linking teaching-practice-research, through indigenous as well as internationally mapped curriculum.

To mould individuals into responsible citizens with ethical and professional behavior, upholding social work values

To capacitate student trainees with micro level, mezzo level and macro level professional social work skills and competencies through experiential learning opportunities

To collaborate and network with LSGs, Govt. agencies, CBOs, NGOs, civil society organizations and Corporates in meeting local and global needs

To engage in research initiatives that impact social work education, practice interventions and policy changes

To promote values of equity, equality and social justice in all the spheres

To create and foster innovations in the practice settings contributing to the development of the discipline.
