**Anti-Narcotic Cell, Bharata Mata College, Thrikkakara
REPORT**

2021-22

Anti-Narcotic Cell is committed to creating and maintaining a campus environment that is free of alcohol and 'substance' abuse. 'Substance' abuse harms students, threatens the safety of the environment, and disrupts the educational process and defeats the purpose for which a student is being educated. While the University takes a serious view of alcohol and 'substance' abuse on its campus, it strongly believes that the best way to maintain an appropriate campus environment with respect to drugs and alcohol is through preventive education about the dangers of drug abuse and compassionate attention to the needs of those who may require help with alcohol or other drug-related problems. Anti-Narcotic Cell provides on-campus support programs and services as well as information about related services that are available in the local community.

Activities of the cell for the academic year 2021-22 are as follows

1. Webinar on "Ethical issues of Drug use"

A National Webinar was organised by the Department of B.com Travel and Tourism and the Anti Narcotic cell of the College. The program was organised for students of the college to make them aware about the ethical issues that arise due to drug use. The resource person for the webinar was Sri. Jayraj P K, Asst. Excise Commissioner, Vimukthi

District Manager Thiruvananthapuram. The duration of the session was 2 hrs starting from 03.00 PM . The session was very successful with 55 participants. The program was interactive and the need to stay away from drug usage was explained in detail in a simple language. At the end of the session students asked their queries for which speakers cleared all.
